

| <b>2019-2020 Fall (07.09.2020-11.09.2020)</b> |  |                  |                  |
|---|--|------------------|------------------|
| <b>Course</b>                                 |  | <b>Exam Date</b> | <b>Exam Time</b> |
| BBM101  | Introduction to Programming I            | 09.09.2020       | 13:00-15:00      |
| BBM105  | Intro. To Computer Engineering           | 10.09.2020       | 18:00            |
| BBM201  | Data Structures                          | 11.09.2020       | 16:00            |
| BBM205  | Discrete Structures                      | 10.09.2020       | 14:00            |
| BBM231  | Logic Design                             | 08.09.2020       | 13:00            |
| BBM301  | Programming Languages                    | 10.09.2020       | 10:00-12:00      |
| BBM341  | Systems Programming                      | 09.09.2020       | 15:00            |
| BBM371  | Data Management                          | 11.09.2020       | 10:00            |
| BBM419  | Project I                                |                  |                  |
| BBM427  | Technology Seminars I                    | 07.09.2020       | 16:00            |
| MÜH103  | Occupational Health and Safety I         | 10.09.2020       | 16:00            |
| AIN101  | Freshman Seminar                         |                  |                  |
| BBM401  | Automata Theory and Formal Languages     |                  |                  |
| BBM403  | Combinatorics and Graph Theory           |                  |                  |
| BBM411  | Introduction to Bioinformatics           | 09.09.2020       | 13:00-15:00      |
| BBM443  | Fundamentals of Blockchain               | 07.09.2020       | 12:00-14:00      |
| BBM475  | Management Information Systems           |                  |                  |
| BBM406  | Fundamentals of Machine Learning         |                  |                  |
| BBM412  | Computer Graphics                        | 08.09.2020       | 10:00            |
| BBM433  | Microprocessors                          | 10.09.2020       | 13:00            |
| BBM451  | Computer Networks                        |                  |                  |
| BBM463  | Information Security                     | 10.09.2020       | 10:00            |
| BBM471  | Database Management Systems              | 11.09.2020       | 14:00            |
| BBM472  | Geographic Information Systems           | 10.09.2020       | 17:00            |
|   |  |                  |                  |
|   |  |                  |                  |
| BBM103  | Introduction to Programming Laboratory I |                  |                  |
| BBM203  | Software Laboratory I                    | 07.09.2020       | 10:00            |

|   |  |                  |                  |
|---|--|------------------|------------------|
| BBM233  | Logic Design Lab                                 | 08.09.2020       | 15:00            |
| BBM409  | Machine Learning Laboratory                      |                  |                  |
| BBM414  | Computer Graphics Laboratory                     | 07.09.2020       | take-home        |
| BBM474  | Geographic Information Systems Laboratory        |                  |                  |
